## New Director, Same Mission!

I am both humbled and excited to take on the role as the Executive Director of the Bridgeport Public Education Fund (BPEF). For the past 11 years as the MAACS Program Coordinator under the first and only Executive Director of BPEF, I had the great privilege to learn and grow from Marge and the BPEF Board of Directors.

Thanks to this legacy, I am committed to our core values and the work of BPEF as we continue on our road to success. Each year we examine our goals and objectives to determine that our focus is true, our work is unique, and that the BPEF is an important and respected organization both locally and nationally. Moving forward, the mission of the Bridgeport Public Education Fund, Inc. is to mentor youth for success in college, careers and life!

Thank you for your support and commitment to the Bridgeport Public Education Fund on behalf of the students and the Bridgeport community.

Sincerely yours,  
*Faith Villegas*

Please Consider Making an Investment Today for a Better Tomorrow!
